Dear Mr. Jones:

In accord with your letter of March 29, our check for $10.80 is enclosed.

Your letter makes no reference to another request I have made under both FOIA and PA that should have been referred to your Agency. It has to do with files on or relating to me. I would appreciate copies of those records that I know you should have. These include but may not be limited to records of the European Division.

If you would explain your limitation of "documents which originated with USIA" (emphasis added), I would appreciate it.

Sincerely,

Harold Weisberg
